

Join us for a wonderful weekend of dancing, singing, and making music at the  
 15<sup>th</sup> Anniversary **FolkMADness Music and Dance Camp**  
**Memorial Day Weekend – May 25 - 28, 2007**

'New Mexico Tech,' in Socorro, New Mexico

Featuring **The Canote Brothers, The Elftones,**

**Laura Me' Smith, Tom Hinds, Suzannah Park and Nathan Morrison**

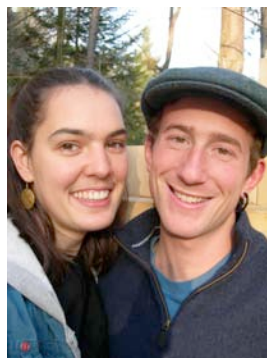

**The Canote Brothers** from Seattle, WA, are as renowned for their affable attitudes and humor as they are for their music. Greg on fiddle, and Jere on guitar, and both on banjo ukes, perform zany concerts,

play for dances, lead songs and promote a good time! The Canote Brothers demonstrate their love and mastery of vintage styles from old-time fiddle tunes and country songs to novelty numbers and swing. They perform with spirit, humor, sterling musicianship, and genetically matched voices.

**Elftones** A popular, highly energetic North Carolina-based band composed of fiddler Mara Shea, and guitarist Roger Gold. The Elftone's music is a blend of Irish, Scottish, Canadian, old-time, and original tunes. They like to play anywhere people like to twirl and swing and have a great time. Although their home base is in the Piedmont of NC, you can find them playing in a large part of the U.S.

They have two contra dance music CDs, *The Moon and Seven Stars*, *Elftones*, and an album of waltzes, *Mist-Covered Mountains*.

**Suzannah Park and Nathan Morrison**

have been singing together in various ensembles since they were fourteen, but have been performing and teaching as a duo for the past two years. They have newly

made Asheville N.C. their home and are enjoying the jump from Vermont's green mountains (their old home) to North Carolina's blue mountains. Suzannah is excited to be back at Dance Camp for another wonderful weekend and delighted to bring Nathan along.

**Laura Me' Smith**

has been delighting dancers with her efficient teaching and rapier sharp wit since 1980. Equally at home

with driving southern square dances and lyrical English Country dances, in addition to contras and various couple dances, she'll have you up and moving whether you've been dancing for five minutes or fifty years. Her bad jokes have the band choosing tunes with uncanny speed, and you'll discover how you can become one of the most desirable dance partners on the floor.

**Tom Hinds**

has been teaching and calling for the last 25 years. Besides calling contras he also calls a variety of square dance

styles: western, New England and old time. As a choreographer, he has published 5 collections of his own compositions as well as other booklets on calling and clogging. Tom has taught at many dance camps including Pinewoods, Augusta, Buffalo Gap, JC Campbell Folk School and Kentucky Summer Dance School. He is also a world renowned chicken hypnotist.

*New Mexico Tech is located about 75 miles south of Albuquerque, at an elevation of 4,579 ft. and is nestled in the foothills of the Magdalena Mountains. There are sweeping lawns, large shade trees, and plenty of outdoor spaces to jam. The main gym (dance hall) has a sprung wood floor. Camp begins with registration at 4 pm Friday, continues throughout the weekend with workshops, dances, concerts, jam sessions, a Thrift Store Prom, and a Talent Show and ends with lunch after the farewell dance Monday.*
